Best for: Office workers who want a discreet way to multi-task more easily

CS70N™

The Plantronics CS70N wireless headset system allows you to multi-task more easily – whether you're using your PC whilst on a teleconference, finding some private/quiet space for that important call, or simply stretching your legs whilst on a long teleconference. Stylish and discreet, with excellent sound quality and wireless range, it's the perfect combination.

- A more efficient way to work – a better way for busy executives and managers to multi-task easily
- You'll hardly notice you're wearing it – light, comfortable and incredibly discreet
- Freedom to move – 50 metres range in a typical office means you no longer need to be tied to your desk when on the phone
- Excellent sound quality – DECT™ wireless technology combined with a noise-cancelling microphone ensures you can hear and be heard clearly
