WORKER

NEW

Best for: Mobile professionals who want to seamlessly switch between PC and mobile phone calls

Voyager™ PRO UC

Designed for mobile professionals in the office and on-the-go, the Plantronics Voyager PRO UC wireless headset lets you seamlessly switch between your PC and mobile phone calls.

- Automatically answers calls simply by placing on your ear (dON/dOFF)
- Automatically transfers calls between mobile phone and headset
- When on a mobile or PC call, softphone presence is automatically updated
- Eliminates accidental dialling by locking call button when headset is not worn
- Dual-mic AudioIQ² DSP for noise cancellation, delivering clear voice quality
- Advanced WindSmart[®] technology provides three layers of wind protection
- New Bluetooth[®] mini USB adapter can stay in your laptop port for always-ready connectivity
- Enhanced voice alerts – talk time, connection status, battery level, mute

Standard version: built for PC audio softphones from Avaya, Alcatel, Lucent, Cisco, IBM, Siemens and Skype
